

June 29, 2016

We have opened another section of our Summer Reading and Math program and would like to invite all of our students entering kindergarten to attend! The Summer Reading and Math program is a fun way for your child to keep his/her skills strong over the summer months. The program will begin this **Wednesday, July 6<sup>th</sup>** and run until Thursday, August 4<sup>th</sup>. The program will be run daily from **10:30am-12:00pm**. Students may attend the summer recreation program before the class, from 9:00am-10:30am. If you would like your kindergartener to attend, or have any questions about this program, please call Ms. May in the elementary office on Tuesday, July 5<sup>th</sup> between the hours of 8:30 and 3:00 to let us know, and return the application form when you drop of your child on Wednesday morning. A copy of the summer recreation form has also been included with this letter if you would like your child to attend that program as well.

We hope your child will be able to attend!
