**What is Becca's Closet?**

Becca's Closet is a non-profit 501(c)3 organization dedicated to carrying on the legacy of Rebecca Kirtman, a high school student from Florida who believed that every girl should be able to attend formal school-sponsored events such as Prom and Homecoming despite their financial situation. Rebecca collected hundreds of gowns by herself, and gave them to girls free of charge. When she was killed in a car accident in 2003 her friends and family carried her legacy nationwide. Today, there are many Becca's Closet chapters across the country collecting gowns and distributing them to girls in need.
