Dear friends of Barker Central School:

We would love to include your business in the advertising section of our yearbook this year! The yearbook is a “history” book of our town, and you and your business are an important part of our community.

The inclusion of your business advertisement or sponsorship ultimately benefits all students in our school. The money we receive from selling ads goes towards covering the expenses of producing a yearbook. The staff puts a lot of hard work and time into creating a yearbook every year that reflects the spirit of our school and captures the moments we want to remember forever. By keeping the cost of the book down, more students are able to purchase this keepsake. We have made purchasing an ad easy with the attached directions.

Please know how much we appreciate your support of our school and your role in our community. If you have any questions, please do not hesitate to contact Miss Wing at mwing@barkerccd.net.

Sincerely,

The 2018-2019 Latrator Staff
