

# Hot Off the Pratt Press!!

Volume 2, Issue 10

June, 2011

## Dear Parents,

Although this message is the same as last year's, it is worth repeating. We have accomplished so many good things this school year. Our continued focus on literacy has allowed every child to share in our overall passion for reading. It thrills me to see a child grabbing for a book.

Although students don't formally come to school over the summer, learning should not stop. Find time to read daily and practice math facts. In addition, here are a few summer activities that you can do as a family to continue year round learning:

\*Organize a garbage sale, sorting items to sell, pricing items and actually selling the items helps to practice skills in all subject areas.

\* Walking, hiking, bike riding, baseball, softball are all activities that will keep bodies healthy and brains thinking.

\* Design and maintain a vegetable and flower garden or help with chores around the farm. This is a great way to start discussions about the economy.

\* Read signs, letters, lists, books, newspapers,

cards, etc.

\* Visit the Barker Free Library. They have a beautiful, cheery Child's Book Room.

\* Register for the Summer Recreation Program. Information for this program can be found on the website, as well as, in the Banner.

Pratt Elementary is once again offering our Summer Math and Reading Program for students entering grades 1-5 who have been identified as not meeting grade level standards. The program will help accelerate their learning in math and English Language Arts and prepare them for the upcoming school year. Classes will consist of 10-11 students. Intense instruction will be provided daily from 9:00-10:30 am. from Tuesday, July 6th through Friday, August 6th. You would have received a letter inviting your child to participate if he/she has met the criteria.

Summer Pre-K is for all incoming students from 9:00-12:00 daily. For all students entering Kindergarten, summer school will be from 9-10:30 am. Registration is required for each of these classes.

Student placement letters will be mailed home

in mid August. A supply list for each grade level will be sent home with the June report card. It will be on our Barker website as well.

**A reminder that the elementary school beginning in September will include grades PreK-6.**

Thank you for your support throughout the year. Have a terrific summer!

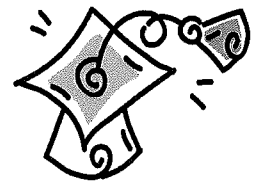

Sincerely,

*Ms. Deborah Sinnott*
