### **AHERA Periodic Surveillance & Triennial Inspection**

In accordance with Federal EPA and New York State Regulations, this is to inform you that during the month of July 2011 the Barker Central School District buildings underwent scheduled asbestos periodic surveillance inspection, and during the month of January 2011 underwent the triennial inspection.

The asbestos containing material (ACM) is in good condition and does not pose a threat to the health or welfare of students, staff, or the Barker community.

The District maintains an annually updated AHERA Asbestos Management Plan as per Citation 40CFR Part 763.93 (e) (10) and Part 763.93 (g). These plans are available to school employees, parents, related organizations and members of the Barker Community.
