Dear Parent:

On _____ your child _____ was placed on Pass to Play. The Pass to Play program is designed to assist student-athletes that are in need of improvement in academic classes. I have included a copy of the Pass to Play form that your child received today. You can also find a complete description of the Pass to Play program in the student-athlete handbook which can be found on the school website, www.barkercsd.net. I am asking for your support with this matter to ensure that your child has a successful athletic and academic experience. Please speak to your child about the Pass to Play program to make sure he/she understands what is expected of him/her. Feel free to contact me if you have any questions regarding the Pass to Play program or contact me if you need assistance in setting up a meeting with your child's teacher and/or coach.

Sincerely,

David Carson
