The Pratt Elementary Library needs your help!

We are trying to locate any and all overdue library books. Please note, there is a barcode and book pocket in the back of the book to designate that it belongs to our school library. If you locate any of these missing books, please return it to school by sending it in with your child as soon as possible. You may also bring them to the building on Wednesdays to be dropped off. Cohort C students, you may send books back with an aide from Wednesday's supply run, or drop them off as well.

Thank you! Mrs. Morrow & Mrs. LaGreca

HARD WORKER of the Month

Pratt Elementary is on the look-out for **HARD WORKERS** each month to become part of an elite group of students who strive to use positive character traits every day.

One student from each grade level will be selected by staff each month.

Those students selected will have demonstrated the designated monthly trait on a regular basis.

Each month's trait will begin with a letter from the phrase **HARD WORKER**.

April's trait: Kind

A student who is kind has a gentle nature and a desire to help.

Kind students want and like to do good things that bring happiness to others.

May's trait will be ENCOURAGING.

An encouraging student provides hope and support to others. Encouraging students cheer on their friends, give them a smile or a helping hand when needed.

Honest (September)

Ambitious (October)

Reliable (November)

Dependable (December)

Witty (January)

Organized (February)

Respectful (March)

Kind (April)

Encouraging (May)

Responsible (June)

The following students have been
selected as April's group of
HARD WORKERS

with the trait

KIND:

Pre-K: John Paul Grabowski

Kindergarten: Lucas Pipiles

1st Grade: Ashton Botting

2nd Grade: Joei Pisarski

3rd Grade: Rory Harvey

4th Grade: Liam Dickinson

5th Grade: Alexis Carges

6th Grade: Karl Hill II

Kind Hard Workers

Grades PK-2

My April hard worker for Pre-K is **John Paul Grabowski**. John Paul is always so **kind** to his friends and loves to help. John Paul lights up the room with his charismatic personality! Mrs. Luckman

April's hard worker for kindergarten is **Lucas Pipiles**. Lucas is a student that is very **kind** and gentle to his friends. He is always willing to help a student when they need a friend or just someone to be a buddy with. Lucas is always wanting to make the best choices and do good things to make everyone happy. When someone is feeling down he is always ready to offer a hug to cheer them up. Congratulations Lucas! Mrs. Weller

Our April student of the month is **Ashton Botting**. He displays **kindness** to all his fellow classmates in first grade. Ashton shows kindness when he is helping other students in class and when working with partners. He always uses kind words which provides encouragement to his friends. Ashton displays kindness to adults as well, always offering to help and listens to what is being asked of him the first time. I am so glad Ashton is in my first grade class, and the kindness he shows towards others is contagious! Mrs. Nobles

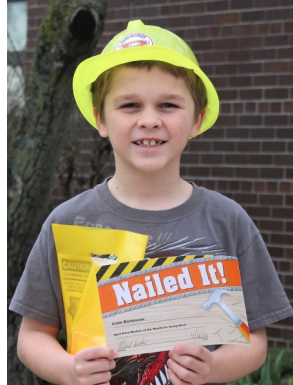

My Student of the Month is **Joei Pisarski**! Joei is **kind** to every student she encounters. She goes out of her way to give compliments, share encouragement, or help a friend. If she ever notices that someone is having a bad day, she sits right next to them and does all she can to make them feel better. She always checks to make sure that everyone is included, and she is quick to share if she thinks it will bring someone else joy! Congratulations to Joei, one exceptionally kind kid! Mrs. Zablocki

Kind Hard Workers

Grades 3-6

This month, we would be delighted to nominate **Rory Harvey** for student of the month. He is one of the **kindest** children I've ever known! Rory gets pleasure from the happiness of others and he is naturally able to spread his thoughtfulness and joy to others. Rory has the ability to make both adults and peers comfortable in his presence and he looks for nothing in return. Thank you Rory for being such a kind person!
Mrs. Calandra

The fourth grade team is nominating **Liam Dickinson** for the month of April for the trait: **Kind**. Liam is a very kind student. Liam is always willing to help staff and peers. Liam works well with others, takes turns when participating, always raises his hand and offers help to others who might need it. Keep up the great work and remember to always be you and be **KIND**!
Mrs. Bowman

The student of the month for 5th grade is beyond a doubt **ALEXIS CARGES!** When reading about this month's trait, "A student who is kind has a gentle nature and a desire to help. Kind students want and like to do good things that bring happiness to others," we immediately thought of Alexis. She has a very **kind heart** and can often be seen reaching out to others to help in whatever way she can. She always has **kind, encouraging words** for everyone no matter what the situation is. She is so **genuine** in her words and actions! We are so lucky to have her as our **role model** this month! Congratulations Alexis!
5th Grade

When you think of a **kind** 6th grader, **Karl Hill II** comes to mind. He is friendly and considerate in his daily interactions with both staff and classmates. Karl is patient and good natured. He possesses the uncanny ability to brighten an ordinary conversation or easily cheer an individual who is feeling down. Karl's kind-hearted mannerisms are rated as 'OK, all correct.' Way to go Karl! Keep on smiling!!
