Dear Parents and Legal Guardians:

Please know that the Barker Central School District has been in contact with the Niagara County Department of Health (NCDoH) related to a positive COVID 19 case involving a student in the Jr. Sr. High School. The individual was last in District buildings on November 20. At this time, pursuant to their review process the NCDoH has informed us that there was no risk of exposure within the school. Any individuals who might have been exposed outside of the school will be notified by the NCDoH and will be quarantined if appropriate. The infected individual will follow all NCDoH protocols and will return to the building when allowed. The NCDoH is not recommending any further action by the District at this time.

School will continue as scheduled. The school buildings continue to be thoroughly cleaned and disinfected daily. As always, if your student experiences any symptoms, please see a medical provider and keep your student at home until allowed to return.

Please respect the privacy of any individual in our learning community who tests positive for the virus.

Sincerely,

A handwritten signature in blue ink, appearing to be "JL Reimer", written over a light blue horizontal line.

Jacob L. Reimer  
Superintendent of Schools
