Pratt Elementary Families:

As previously announced, Pratt Elementary will be opening on 4/26 for in-person instruction four days per week. This letter is to inform parents of a few procedural changes we need to make to accommodate larger groups.

1. Parent drop-off & pick-up: All family drop-off and pick-up will continue in the district parking lot. However, to accommodate a larger volume of students, all vehicles will enter the parking lot and loop in reverse. A map of the new process is on the back side of this letter.

We ask that families avoid dropping students off in the front lot of the school. This is causing congestion and the safety of our students is our top priority. We understand it is a lengthy walk from the district lot to the front door of Pratt for some of our students; however, if inclement weather occurs, we bring the elementary kids in the middle school doors near the district parking lot. We thank you for your help.

2. Day rotations: On 4/26, the letter day of the special schedule will rotate without repeating weekly. Monday, 4/26 is an A day. Tuesday will be B, Thursday C, Friday D, Monday 5/3 E day, and Tuesday F day. Then we restart with A on Thursday 5/6. The new day rotation calendar is on the main webpage. It is located on the "ABCDE" button on the left ribbon on the page. This change will allow students to rotate through their specials classes (phys ed, art, library, music) faster.

Thank you for your continued patience and support of the district throughout this school year.

Sincerely,

*Michael Carter*
