9/3/2021

Dear Parents/Legal Guardians and Barker Learning Community,

The Niagara County Department of Health (NCDOH) has confirmed two positive COVID cases related to a student at the Jr. Sr. High School and one at the Elementary level on 9/3/2021. The NCDOH has completed contact tracing. The affected individuals are already in self-quarantine and will remain so until the individuals are released by the NCDOH.

At this time, pursuant to known contact tracing guidelines and after discussion with the NCDOH, there is no risk of exposure within the school. Any individuals who might have been exposed outside of the school will be notified by the NCDOH and will be quarantined if appropriate. The infected individuals will follow all NCDOH protocols and will return to the buildings when allowed.

We continue to look forward to the start of school on September 7<sup>th</sup>!

If additional measures are necessary, parents/legal guardians will be notified as soon as possible.

As always, if your student experiences any symptoms, please see a medical provider and keep your student at home until allowed to return.

Please respect the privacy of any individual in our learning community who tests positive for the virus.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Reimer", is written over a horizontal line.

Jacob L. Reimer  
Superintendent
