9/23/2021

Dear Parents/Legal Guardians and Barker Learning Community,

The Barker Central School District has become aware of two positive COVID cases related to two students who were last present in the Jr.-Sr. High School on 9/15/2021 and 9/22/2021 respectively. The Niagara County Department of Health has confirmed these cases with the District and we are working with them to identify potential contacts. The affected individuals are already in self-quarantine and will remain so until released by the Department of Health.

We will continue to monitor the situation and work with health officials to determine whether there is a need for further actions and/or quarantines. If additional measures are necessary, parents/legal guardians of those affected will be notified as soon as possible.

As always, if your student experiences any symptoms, please see a medical provider and keep your student at home until allowed to return.

Please respect the privacy of any individual in our learning community who tests positive for the virus.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Reimer", with a long horizontal flourish extending to the right.

Jacob L. Reimer

Superintendent
