11/2/2021

Dear Parents/Legal Guardians and Barker Learning Community,

The Barker Central School District has become aware of one positive COVID case related to a student who was last present in the Jr.-Sr. High School on 11/1/2021. While the case has not been confirmed by the Niagara County Department of Health as of yet, the district is working with the Department of Health to identify any potential contacts. The affected individual is already in self-quarantine and will remain so until released by the Department of Health.

We will continue to monitor the situation and work with health officials to determine whether there is a need for further actions and/or quarantines. If additional measures are necessary, parents/legal guardians of those affected will be notified as soon as possible.

As always, if your student experiences any symptoms, please see a medical provider and keep your student at home until allowed to return.

Please respect the privacy of any individual in our learning community who tests positive for the virus.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Reimer", with a long horizontal flourish extending to the right.

Jacob L. Reimer
Superintendent
