Dear Barker Learning Community,

It has been a slow but welcome return to near normal school days over the last few months. For the first time since June of 2019, we are expecting to end our school year in a more traditional manner with most of our celebrations being honored once again. We look forward to all the upcoming festivities over the last 6 weeks of the school year.

With this in mind, and as was common prior to the pandemic, since the district was able to meet our required 180 days of student attendance, the calendar for the end of the 2021-22 school calendar is being adjusted slightly. At the May 9, 2022 Board of Education meeting, the Board of Education approved an additional day off for all staff and students on Friday, May 27, 2022. This day off is in addition to the previously scheduled day off on May 30, 2022, celebrating Memorial Day.

Additionally, the Board approved a change to the last day of attendance for our elementary students to be a full day on Tuesday June 21, 2022, and summer recess for our elementary students will then begin on Wednesday, June 22, 2022.

We understand this end date is earlier than what is posted in our originally approved school calendar, and we apologize for any potential inconvenience this may cause.

We thank you for all your patience and continued support of our kids and the greater Barker community.

Please stay safe and healthy.
