To Parents/Families of Barker CSD students:

Beginning Monday, March 28, students in our cafeterias will be returning to eating lunch at group tables. We ask families and students to please be mindful of the following:

1. There will be fewer students than normal at each table due to ongoing covid restrictions. Approximately six to seven students will be at each table, depending on the cafeteria.
2. Students can still elect to sit at individual desks. We understand some students/families may still be more comfortable with this format. If students are not being respectful of others, they may be asked to sit at individual desks as well.
3. Some classes/grades may also have assigned seating.
4. We ask our students and families to continue to be respectful of others' choices as we emerge from the difficulties of the past couple of years. Many students still elect to wear masks, and many may still elect to sit at individual desks.

Thank you for your continued patience and support as we work through these situations.

Sincerely,

Michael Carter
