

Join Paper's 2024 March Madness Challenge!

We are thrilled to announce the 2024 Paper March Madness Challenge, dedicated to supporting teachers and students throughout the test-prep season!

Students will have two chances to win amazing prizes like Apple AirPods and more by scoring Paper Three-Pointers.

What does it take to score a Paper Three-Pointer?

To score a Paper Three-Pointer, students will need to complete a Paper activity on **three separate days** before each draw. The first round of prizes will be drawn on March 15th and the second on April 1st.

How does the contest help with Test-Prep?

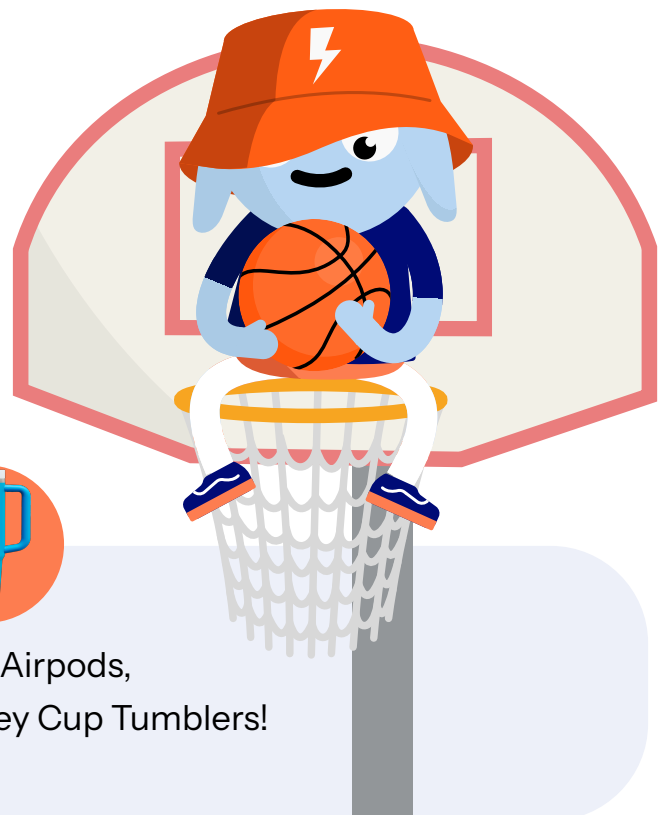

- To encourage students to get ready for the upcoming state assessments, we are adding a new set of CCSS-aligned Paper Missions this month. Students can dive into the **Paper Missions** section of their student dashboard, choosing from Math, ELA, Vocabulary, or Test Prep, and begin on their journey today.
