*****OPTIONAL ACTIVITY*****

*A Fun Holiday Idea for You: **The Grinch Game!***

Would you like to participate in a game of gift giving *and* stealing? If so, the Grinch Gift Game is the game for you. One tenth period in December (date to be determined) any student in grades 9-12 who would like to participate can come to the cafeteria with a wrapped, untagged \$5-10 gift. All gifts will be placed in the center of the room. Every person who brings a wrapped gift can play. The Grinch will have a deck of cards. Everyone playing will also have their own card. When your card is drawn, you have the option of either opening a new gift from the middle or stealing someone else's opened gift. If your gift is stolen you have those same options. However, gifts can only be stolen twice. The game ends once every gift has been opened and claimed. See Mrs. Moffitt for more details and let her know if you'll be playing!
