

THE BARKER PTO NEEDS YOU!!!

Dear Families,

Welcome back, happy fall and we hope this note finds your family well. The Barker PTO (Parent Teacher Organization) is a combination of teachers, parents, students and community members working together with the common goal of enriching our students' educational experience. Your time, energy and ideas are needed as we work to benefit our school

community. **Please consider becoming a member - 100% of your membership fee will be spent directly on the kids!** If you are wondering what we do, please see a list below of the opportunities provided to our students that might otherwise be absent from their academic life if the PTO did not exist.

We try and alternate meetings between 3:30 and 6:30 so as to accommodate both teachers and parents. **Watch for flyers coming home in elementary students' folders announcing any upcoming meetings.** We will be discussing various opportunities for our school and hope to hear some thoughts from you! Children are welcome to attend our meetings. We need new parents to help organize and run our fundraisers and events. Hope to see you there.

We invite you to join the Barker PTO. The annual membership fee is \$5.00 for the first member and \$4.00 for each additional family member. **Please make checks payable to the Barker PTO.** Fill out the form below and return it to the elementary or high school PTO mailbox. Thank you for your support! You can also stop by our membership table during open house and join. **All card carrying members can enjoy a bag of fresh popcorn (located at the main entrance as people exit the elementary building)!**
