Attendance Requirements: Attendance is expected at all rehearsals. If you must be absent from a rehearsal, contact MS. JOHNSON prior to the rehearsal. Do not tell a friend to tell Ms. Johnson. Repeated absences diminish the quality of our production. The schedule is constructed very carefully so that conflicts are a minimum. If you have a sports practice or game you should be able to attend part of our rehearsal. If rehearsal is scheduled on a sports conflict, please share/split your time between sports and the musical production. Starting early to mid -February, winter sports will conclude and the musical needs to be the priority through to the performances. Attendance will be taken at every rehearsal. Anyone with repeated absences will be asked to leave the production.

FEBRUARY BREAK: There will be some full cast rehearsals, work days, and costuming days over February break, Feb. 17-21.

Work Day Requirements: The entire theater experience is our goal. We must all contribute to the success of the show. Cast members need to participate in the making of scenery, props, and costumes.

Work days are scheduled on weekend days and also possibly week evenings or after school. Cast and crew members can attend for any portion of time on those dates. Any time spent contributes to the success of our presentation!

All cast members **must attend at least one work day.** Plan your schedule now so that you can attend at least one and hopefully all work days.

I give permission for my child, the above named student, to participate in the 2020 BCS production of "The Addams Family Musical." I understand that his/her participation represents a significant time commitment, and I will support him/her in fulfilling this. We have read and agree to the attendance and work day requirements.
