**EMPLOYMENT OPPORTUNITY:** We are accepting applications for summer work thru Niagara County Employment & Training. You must be eligible for free or reduce lunch. Applications are available in the guidance office. If you are under 18 years of age, you must go to the nurses' office to apply for working papers.

Marvin's Restaurant at Widewaters is now accepting applications for seasonal employment. You must be at least 15 years of age and you will also need working papers from the nurse's office. Application reviews and interviews will begin in March, the season runs from May through October. Stop by guidance office for their email address to apply.

**PI DAY:** Today the math department will be celebrating pi day. Another fun thing that happens is that we play "where's Pythagoras". There will be 6 pictures of Pythagoras hidden in neutral places in the junior/senior high school. If you find one, return it to Mr. DerSarkissian for a fruit pie.

**SENIORS:** Seniors, check out the web site and see which colleges your fellow students may be going! You will be amazed with the numerous students who applied to a variety of colleges. Go to the web site's department tab, click on guidance and go to college acceptances. So bring in your acceptance letters so your name and college can be added to the list!

**DETENTION:** Detention is in Room #142. Be on time and bring your work with you.
