

Dear Parent or Guardian:

If you created an account to use the PowerSchool Parent Portal for your child(ren) previously, please continue to use those account credentials to gain portal access. You may insert additional children you receive access codes for indicated in the enclosed letter. **If you need assistance with your ID or password, please select the “Forgot Username or Password” link on the portal homepage.**

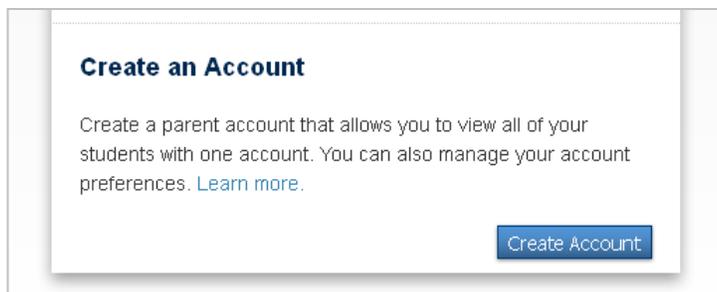

### **New User Information**

We are pleased to introduce you to the PowerSchool Parent Portal. Parents and guardians can have one login to access all of their student’s grades and attendance in one place. Also, parents and guardians will not have to share logins as each parent or guardian can set up his or her own unique login and password. Please follow the directions below to get started using the PowerSchool Parent Portal.

1. Go to the “PowerSchool Parent Portal” log in page:
