TECHBUFFALO

Girls in Tech Summer Immersion

Curious about tech? This is your launchpad.

Join us for a free two-day summer immersion designed to introduce high school students to careers in Buffalo's growing tech and innovation economy.

August 12th and 13th
10:00am - 3:00pm
Seneca One Tower (1 Seneca St.
Buffalo, NY 14203)

Who Should Attend:

- Any high school student curious about tech careers, with a focus on girls in tech - no experience needed!
- Parents welcome to attend and learn alongside their future innovator

Limited spots available!

Please register by scanning the QR code or clicking the link below.

<https://forms.office.com/r/rqZ0htivzX>

What you'll experience:

- Explore Buffalo's growing tech and innovation scene
- Meet women leading the way in WNY's tech industry
- Learn real tech skills through hands on activities designed by real companies
- Discover your strengths and learn where you fit in tech
- Plan your next steps in your post high school educational journey
