Dear Barker Families,

The Barker Central School District has contacted local child care providers in an effort to assist essential health care professionals and first responders with emergency childcare needs. Essential health care professionals and first responders may include but are not limited to health professionals such as nurses, nurse practitioners, physician assistants, emergency medical technicians, paramedics, police officers, and firefighters.

The Lockport Family YMCA is able to accommodate childcare services for any school aged student. In order to register for emergency vacation club please contact the Lockport Family Branch YMCA at 716-434-8887 or email Brigid Dillman, Office Manager at bdillman@ymcabn.org between the hours of 8:00 a.m. - 5:00 p.m. Monday through Friday. For any child currently enrolled in the YMCA School Age Child Care program, the registration form will be reviewed at the time of registration. For new enrollment, a child care registration form must be completed prior to attendance. Please contact the YMCA if your child requires medication or has allergies to review requirements for care. Program hours are 7:00 a.m. - 6:00 p.m. Monday through Friday. Children should bring a bag lunch and change of clothes, snack is provided.

Further, for younger children, the Community Child Care Clearinghouse of Niagara County has provided us with contact information for licensed childcare centers or family child care providers near our community who have availability for additional children. Please contact one of the following individuals or facilities and they will be able to assist you with questions and any processes needed to register your children:

Tiny Town Day Care
6115 First St
Newfane, NY 14108
716-778-7329

Bowers Buddies
361 Gooding St
Lockport, NY 14094
716-266-9157

Little Critters Childcare
