

Dear Parent or Guardian:

If you created an account to use the PowerSchool Parent Portal for your child(ren) previously, please continue to use those account credentials to gain portal access. You may insert additional children you receive access codes for indicated in the enclosed letter. **If you need assistance with your ID or password, please select the “Forgot Username or Password” link on the portal homepage.**

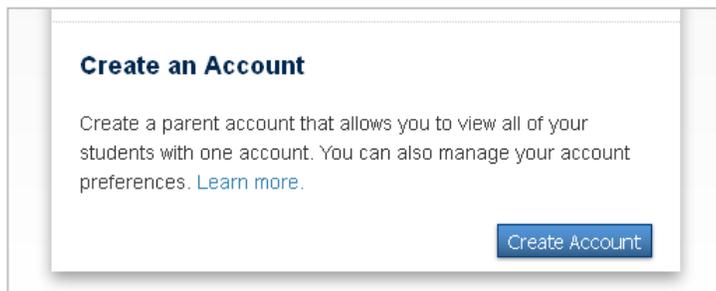

New User Information

We are pleased to introduce you to the PowerSchool Parent Portal. Parents and guardians can have one login to access all of their student’s grades and attendance in one place. Also, parents and guardians will not have to share logins as each parent or guardian can set up his or her own unique login and password. Please follow the directions below to get started using the PowerSchool Parent Portal.

1. Go to the “PowerSchool Parent Portal” log in page:

<https://barker.powerschool.com/public>

2. Click **Create Account**

3. At the top of the screen fill in your information including new password, which must be at least 6 characters.

A screenshot of a web form titled "Create Parent Account". The form contains several input fields: "First Name" (Jane), "Last Name" (Doe), "Email" (jdoe@google.com), "Desired Username" (jenedoe1), "Password" (masked with dots), and "Re-enter Password" (masked with dots). To the right of the password fields is a strength indicator bar that is partially filled with green and labeled "Strong". Below the form, there is a note: "Password must •Be at least 1 characters long".

First Name – Enter your first name.

Last Name – Enter your last name.

Email – Enter your email address.

Desired User Name – Enter the user name you would like to use when logging into the PowerSchool Parent Portal. The user name must be unique. If you enter a user name that is already in use, you will be prompted to select or enter another user name.

Password – Must be a minimum of 6 characters. When entering your password a colored bar will appear to the right – this indicates the strength of the password.

The more color that fills up the bar, the stronger the password. **Please note that the password is case sensitive.**

Re-enter Password – Re-enter your password. The password you enter must match what you entered in the Password field.

4. At the bottom of the screen enter the Student Name, Access ID, Access Password, and choose a relationship to link your student(s) to your new login. If you have more than one student you can enter all of their names, Access IDs, and Access Passwords on this page. Once all information has been entered click Enter.
